## Quick reference parts lists

| OEM P/N    | Description                                                  | Taylor Engineering P/N |
|------------|--------------------------------------------------------------|------------------------|
| N/A        | Proxy switch PNP N/C Hyva jack leg                           | TEL2046                |
| N/A        | Black booted push button complete Hyva                       | TEL2278                |
| N/A        | Hyva proxy M18 45mm NPN NC                                   | TEL2459                |
| N/A        | IMO inductive proxy switch M18 no npn body lock              | TEL2510                |
| N/A        | Hyva skip net later mighty mesh                              | TEM1072/4MM            |
| N/A        | Hyva mighty mesh net Gladiator/Transcover/Autocover/Ed       | TEM1072/MM             |
| N/A        | Hyva upper arm left hand                                     | TEM1215                |
| N/A        | Hyva upper arm right hand                                    | TEM1216                |
| N/A        | Lower arm Hyva fixed system both sides Hook Loader           | TEM1582/1              |
| N/A        | Tension spring only Hyva Hook Loader                         | TEM1869/2              |
| N/A        | Screw c/sink Hyva ext skip arm wear pads                     | TEM1958/1              |
| N/A        | Hyva cradle for Hook Loader 2656 3mm thickness               | TEM6309                |
| N/A        | Hyva skip mounting axle pin for lower extending arm          | TEM6312                |
| N/A        | Hyva rubber bump stop/crossmember buffer                     | TEM7093                |
| N/A        | Spring for Hyva roller also same spring in TEM6054           | TES4040                |
| N/A        | Seal/wiper kit Hyva skip handle bracket/ spool Veolia St Alb | TEZ9044                |
| 05160301   | Bush Hyva tipping frame pin pivot                            | TEM6092/1              |
| 05210201   | Roller large load cell Hyva roll on                          | TEM1492                |
| 05210401   | Pin for roller load cell Hyva roll on                        | TEM1493                |
| 06050004   | Pin tipping frame pivot Hyva Hook Loader                     | TEM6092                |
| 07050008   | Front wear pad Upper Boom arm Hook Loader                    | TEM1909                |
| 0750002AA  | Front wear pad Lower Boom arm Hook Loader                    | TEM1910                |
| 08050008   | Rear wear Pad Upper Boom Arm Hook Loader                     | TEM1915                |
| 08050009   | Rear wear Pad Lower Boom Arm Hook Loader                     | TEM1914                |
| 08102116   | Hyva breather filter c/w cap                                 | TEF5022                |
| 08102117   | BREATHER FILTER HYVA                                         | TEF5017                |
| 08102129   | Oil level tank gauge (sight glass) 3" Hyva skip              | TEV3071                |
| 08100001AA | Hook mounting pin Hyva                                       | TEM6116/1              |
| 09030635   | Hyva rear lock cylinder 3 port                               | TEM6149                |
| 09228168V  | Proxy switch body raise/boom up/Hyva & net                   | TEL2363                |
| 14896991A  | Main Filter Hyva Skip & Hook Loader                          | TEF5016                |
| 15029030   | Circlip for TEM6132 Hyva                                     | TEM6132/1              |
| 31020100   | Valve rear lock with plunger Hyva titan                      | TEV3035/2              |
| 31020101   | HYVA DIVERTER VALVE                                          | TEV3035                |
| 34010100   | Hyva tip hook operating valve 5 port with lever              | TEV3032                |
| 35010220   | Arrow indicator lamp, red Hyva in cab box                    | TEL2190                |
| 35010224   | Arrow Indicator Lamp Led Green in cab box                    | TEL2190/1              |
| 36000140   | Circlip tipping pin retainer Hyva Hook Loader                | TEM6092/2              |
| 36010120   | Circlip link arm BRG DE1002054 Hyva                          | TEM1519/1              |
| 36207560   | Hyva Hook Loader bush/flange bearing for rear roller         | TEM6311                |
| 37200002   | 1/8 BSP Straight grease nipple misc goes with TEM6167/1      | TEX5018                |
| 52340810   | Hyva stabilizer coverES2                                     | TEM6130                |
| 350103105  | Jack leg sensor/pressure switch                              | TEL2481                |

|           |                                                     |             |
|-----------|-----------------------------------------------------|-------------|
| 520200310 | Hold to run double switch                           | TEL2470/1   |
| 520203824 | PTO AIR SWITCH Hyva Skip Wagon in Cab               | TEV3047     |
| 521700615 | Hyva in out cylinder adjustable                     | TEM6137     |
| 522602500 | Roller small load cell Hyva roll on                 | TEM1491     |
| 522603800 | Guard Hyva rear lamp early type Hook Loader         | TEM1060     |
| 522619700 | Guard Hyva rear lamp later type Titan Hook Loader   | TEM1060/1   |
| 523316610 | Hyva skip wide angle mirror                         | TEM6117     |
| 523316650 | Hyva skip wide angle mirror arm                     | TEM6118     |
| 523317480 | Square insert LDPE Hyva                             | TEM6131     |
| 523402300 | Arm connecting pin Hyva Auto sheet                  | TEM6152     |
| 523402300 | Hyva upper arm pin autosheet                        | TEM1581/1   |
| 523402471 | Cylinder pivot pin Hyva Auto sheet                  | TEM6151     |
| 523402491 | Lower arm cylinder pin Hyva Auto sheet              | TEM6153     |
| 523402800 | Bar tarp Hyva net system Hook Loader                | TEM6014     |
| 523405500 | Lower Arm Easy Sheet Adjustable width system        | TEM6053/1   |
| 523405500 | Hyva Lower arm easysheet/autosheet                  | TEM6160     |
| 523406025 | Hyva ES2 wear pad 375X25X4                          | TEM6135     |
| 523406065 | Hyva ES2 wear pad 375X60X4                          | TEM6136     |
| 523406200 | Upper Arm Easy Sheet Adjustable width system        | TEM6053     |
| 523407400 | Telescopic external section Hyva ES2                | TEM6134     |
| 523407761 | Hyva pin 65mm                                       | TEM6132     |
| 523407788 | Hyva pin 92mm                                       | TEM6132/2   |
| 523407900 | Telescopic internal section Hyva ES2                | TEM6133     |
| 523410500 | HYVA Lower arm, sheeting system                     | TEM1327     |
| 523410500 | Hyva hook autosheet lower arm                       | TEM6150     |
| 523411000 | Cradle for Hyva Kwik Cova                           | TEM1764     |
| 523411000 | Hyva Kwik Cova cradle NOW USE TEM1764               | TEM1336     |
| 523411100 | Stabilizer bar for Hyva Kwik Cova cradle            | TEM1764/1   |
| 523411200 | UPPER ARM, HYVA KWIK KOVA R/H                       | TEM1581     |
| 523411201 | UPPER ARM, HYVA KWIK KOVA L/H                       | TEM1582     |
| 523413100 | Tension Spring Hook Loader                          | TEM1869     |
| 523413110 | Spring Roller Easy Sheet Adjustable width system    | TEM6054     |
| 523413500 | Hyva skip net early chain                           | TEM1072/1   |
| 523414500 | Roller skip net Hyva                                | TEM1869/1   |
| 523415400 | Tension Spring Skip Netting System                  | TES4052R/H  |
| 523415401 | Tension Spring Skip Netting System                  | TES4051L/H  |
| 523418200 | Hyva net old & new system adjustable                | TEM1072     |
| 523418400 | Hyva skip net mighty mesh (early) chain             | TEM1072/2MM |
| 523442100 | Hyva skip net later version                         | TEM1072/4   |
| 523620360 | Amber Light in cab box                              | TEL2190/2   |
| 523622000 | Decal SWL Skip Wagon Various                        | TEM6022     |
| 523628724 | Hyva control valve solenoid 19W                     | TEV3094     |
| 761002315 | Bush T1 hoist Farid 08160000044 Hyva 761002315      | TEM1691     |
| AE080083  | Hyva titan container roller pin                     | TEM6127/1   |
| AE081666  | Hyva titan container roller                         | TEM6127     |
| AE082065  | Boom arm slide wear pad rest Hyva AE082065 AE080065 | TEM6108     |
| AE082065  | Hyva titan bridge wear plate                        | TEM6112     |
| AE090134  | Hyva Hook Loader rear roller chem spacer            | TEM6310     |
